Fine Arts Printing Services

Please fill out this separate Printing Form if using our Fine Arts Printing Service. Mpls Photo Center provides exhibitors the option of sending their work for printing using our Fine Arts Printing. If you are using our printing services, please fill out the this form and have back by September 1, 2019.

The cost of printing is:

10¢ per square inch for Epson Photo Lustre

15¢ per square inch for Canson Baryta Photographique (Lustre)

Prices calculated on the media size necessary to print and frame. If choosing our Fine Art Printing Services, please provide us with a 300 dpi (final image size) tiff. We recommend tiff files for the best color and b&w print reproduction.

NOT ACCEPTED Framing Services

Mpls Photo Center offers framing service to our exhibitors with CALHOUN FRAMING at value pricing. As per our framing requirements we offer black metal and wood frames, bright white cotton rag mats and standard framing glass. All finished framed prints include hanging hardware. If you are using our framing services, please fill out this form and have back to us by September 1, 2019.

Please note: *You don't have to use our printing services to use our framing services.*

Matte Allowance

We use our standard 2.5" wide, single bright white matte unless otherwise indicated here.

Please note that final framed image size must include mat allowance when choosing frame size. Your final framed print must fall within the sizes listed below. **You must add 5" to your final image size (both Horizontal and Vertical) to calculate the final frame size.**
